Subject: Conditional Approval of Notice of Intention to Commence Large Mining Operations, Good Earth Minerals, LLC, Gem Mine, M/053/0080, Washington County, Utah

Dear Mr. Johnson:

On February 21, 2012, the Division of Oil, Gas and Mining issued tentative approval of the referenced Notice of Intention to Commence Large Mining Operations (NOI). The Division received two comments during the subsequent 30-day public comment period (see attached). Pursuant to rule R647-1-102.3, please ensure you comply with these other agencies' requirements.

Prior to issuing final approval, the Division needs to receive:

1. Two clean copies of the NOI. These will be stamped approved and one copy returned to you for your records.
2. The reclamation surety and reclamation contract as requested in the tentative approval letter.

Thank you for your help and patience in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Paul B. Baker
Minerals Program Manager
